A Note from the Owners

We would like to take a moment to thank our members for their support of the club and to welcome all the new members. We took ownership in April of this year and have greatly enjoyed getting to know the members even more. We are very proud of the changes and improvements that have occurred since we've taken ownership. We have created a new website, Prescottgolf.net, where our members can now book their tee times online and the membership directory will also be available, just use the password WeLoveGolf. We will be requesting emails and phone numbers this month to update the directory.

The Bar and Banquet rooms have been remodeled, with new paint, carpet, fixtures, and décor. Also the pavilion has been re-painted and equipped with new fixtures, including ceiling fans. We have made some improvements to the course. The cart path on #2 has been extended with asphalt, reseeded the #3 fairway, put in new restroom facilities on the course, and many other improvements have been completed.

We hope you have all had a chance to meet our new Executive Chef, John Lemieux and try selections from the new menu he has arranged for us. John will now be managing the Food & Beverage department. John has an extensive background in the Food Service industry. Ginny Gross will now be the Event Coordinator and Administrative Assistant. She is available 5 days a week in the administrative offices. She holds a Bachelor's Degree in Aviation Science from Bridgewater State University and has worked here at PG&CC for over three years. You may have noticed some new faces in our golf shop, Eddie Chalfoun and Ken O'Brien. Eddie holds a Bachelor's Degree in Business from Skidmore College and was a Golf Pro at Prescott Lakes for 5 years.

Jeff enjoyed seeing all of you at the Member-Guest Tournament, thank you to all our participants. We also wanted to thank everyone for joining us at the monthly Member Happy Hours, we appreciate being able to socialize with all of you at these events.

Just a quick reminder, the Board of Governors meeting is the second Tuesday of every month at 2pm, all members are welcome to attend, and one or both of us try to attend this meeting as well.

We now offer the NFL Sunday Ticket in the bar; also we will be serving breakfast on Sundays beginning in December. The breakfast buffet will be \$7.00 and include biscuits & gravy, scrambled eggs, sausage, bacon, and potatoes, \$2 Bloody Mary's and \$3 Mimosas. The buffet will be served from 8am to noon, and the bar will be open from 8am to 4pm on Sundays. We hope to see you there.

Thank you,
Jeff and Jessica Hall

PG&CC Board of Governors Meeting, Tuesday, November 8, 2011

The November Board of Governors meeting was held in the 2nd floor meeting room.

President Larry T. Tanzer brought the meeting to order at 2:00 pm.

Attendees:

Larry T. Tanzer

Jeff Hall (Owner/GM)

Barb Brown

Ginny Gross

(Administrative Assistant)

Luann Herbert

Owen Lasker

Harley Radley

Fred Widmer

Old Business:

Old Business List:

Items were presented off the "Old Business List" which we use to track status of activi-

ties.

Parking Lot Directional Arrows: Painting has been completed.

Dead Trees: Grounds crew starting to remove, as time permits.

Setting of Pin Locations: Positions will be changed more frequently. There will be training of pin setters to set on level location, with hole tamped down, and not placed in damaged areas.

Hole #3: Fairway may be reopened in December. Balls in newly grown areas will be dropped out as we did on #15.

Hole #2: Larry B. asked Luann to ask if Player Assistants really are addressing the issue of Golf Carts driving in # 2 hazard. No answer was given in meeting.

PG&CC Manage-

ment:

Jeff said Winter Shotgun on Mondays will probably start about 12/15. Later, Jeff he said it may not begin until January.

Entire golf course will be fertilized in 2012.

Driving Range will stay up top and will be top dressed when weather permits growth.

Broken water fountain in gym will be repaired.

Website Improvements: prescottgolf.net

has been updated by Casey as of November 1. Online tee times are now available thru both Members Site and Public Site. New Membership Directory is also available on the website (updated quarterly).

Directory access is thru a common password for members, which was issued in individual

monthly billings (small insert with billing). Tee Time access is done by registering your Email Address and creating your own password. Telephone access is still available to those not using the internet.

Driving on Par 3 Fairways: In discussion, it was noted that many people are abusing the fairways on the par 3's. There are signs indicating that you are supposed to keep golf carts on the cart path on all par 3's.

There is no Member Appreciation Happy Hour scheduled for December.

Around the Board:

Barb (Ladies Golf Club Treasurer) mentioned she was having problems dealing with the Pro Shop on play days' awards. Jeff said he would ensure Pro Shop

is trained on proper handling.

Luann and Barb brought up the poor food service at the High Desert Classic. Jeff and Ginny were aware of some of the problems, and are working to ensure it won't happen again.

Also mentioned was the lack of standard size wine glasses (large) in the bar and dining room.

Harley requested that he explore the possibility of a single savings account, with no transaction fee, since we very seldom require checks to be written.

He will inquire at several banks. Board approved this action.

Larry Tanzer noted the Nominating Committee (Chuck Shumway and Doug Ricketts) for next year's board of gover-

nors is looking for candidates. Board Members should try to recommend someone to the committee. We will cover this at next months meeting prior to the election at the Club's Annual Meeting which should be scheduled for the 2nd Tuesday of January, at 7:30 PM.

Treasurers Report:

Harley Radley reported that the current Balance to Date was: \$ 381.60. This does not include the expense deduction for engraving of the award plaques that were previously approved by the board. Meeting notes were recorded by Luann Herbert.

Next Board meeting: Tuesday, December 13th at 2:00 PM.

Note: All PG&CC members are welcome to attend.

THE PRESCOTT CUP 2011

The Prescott Cup was played the third week in October and blessed with great weather and golf. The Red Team, ably led by Captain and Men's Club President Gary Wolfe, fought hard but was eventually out paced by a charging Blue Team, Captained by Pro Casey Vallee. This is the second year in a row the Blue's have prevailed and that evens the six year series at three wins for each team. The PG&CC crew did a great job. Owner Jeff Hall led the way with suggestions for a BBQ and Three-Club game and Event Coordinator Ginny Gross and Chef John Lemieux made the BBQ happen. The fixings were fresh and plentiful, the burgers were big and tasty, and the chicken breasts plump and moist. Following the Trophy Presentation a dozen KP's were presented as well as numerous gift certificates provided by local businesses. The refreshments were handled by the Men's Club and all members were invited to join in the fun. Several members who did not play in the Prescott Cup attended and some participated in the Three-Club Match arranged by member Bob Graves. There was some concern when the Three—Clubbers started loading the beverage supplies to go with them, but an equitable division for those remaining was arranged and they launched with an ample supply in tow. Bob reports that Wayne Melquist and Dick Stern took home the first place prize. It was a good day and a great week.

Two members were unsure how the Tournament and Sponsorship worked. The Prescott Cup received no funding from the Men's Club in 2010 and 2011. The 2011 game received some funding provided by outside sponsors, and a player entry fee was charged. Play was open to Men's Club Members only who had qualified by playing a minimum of eight Wednesday Games where Pro-Shop pairings were used.

See you next year, Bart Smith
